*In America alone, approximately 1 in 3 adolescent girls (up to 35%) is a victim of interpersonal violence.

*In sexual assaults reported to law enforcement, 67% of female victims and 88% of male victims were under age 18.

*15% of females and 6.5% of males under the age of 18 who were raped were raped by an intimate partner.

*1 in 5 female high school students reports being physically and/or sexually abused by a dating partner.

This program may meet the criteria for your dating violence policy, required by the House Bill No. 121. Please feel free to contact us for more information.

All of our programs and presentations are FREE!
